

LEADERSHIP PROFILE

As a Senior Wealth Strategist and Family Office Fellow at Oxford Financial Group, Ltd., Kara acts as the technical director for Family Office Services and often meets with outside advisors who are a part of the overall planning team for clients. Her primary focus is on creating trusts and estate strategies tailored to the specific needs and desires of Oxford's clients.

Kara has been with Oxford for over 15 years and serves as chair for Oxford's Family Office Technical Strategy Committee.

Prior to joining Oxford, she spent eight years in the tax department of Ernst & Young, LLP. While there, Kara worked with clients on estate and financial planning issues, reviewed complex income and gift tax returns and developed presentation and internal materials related to a variety of estate and gifting strategies. The Certified Public Accountant (CPA) is the statutory title of qualified public accountants in the US who have passed the Uniform Certified Public Accountant Examination and have met additional state education and experience requirements. Certification is administered by each state. The Personal Financial Specialist™ (PFS™) designation is awarded by the American Institute of Certified Public Accountants (AICPA) to candidates who display their expertise in the field of financial planning. Candidates must be a member of the AICPA, hold an unrevoked CPA certificate issued by a state authority and have at least two years of teaching or business experience (3,000 hours equivalent) in personal financial planning within the five-year period preceding the date of the CPA/PFS application. Candidates must have 75 hours of personal financial planning education within the five-year period preceding the date of the PFS application and pass a final examination. The designation requires 60 hours of continuing education every three years. CERTIFIED FINANCIAL PLANNER™ (CFP®) professionals are licensed by the CFP® Board to use the CFP® mark. CFP® certification requirements include: bachelor's degree from an accredited college or university, completion of the financial planning education requirements set by the CFP® Board (www.cfp.net), successful completion of the CFP® Certification Exam, comprised of two three-hour sessions, experience requirement: 6,000 hours of professional experience related to the financial planning process or 4,000 hours of apprenticeship experience that meets additional requirements, successfully pass the Candidate Fitness Standards and background check, agree annually to be bound by CFP® Board's Standards of Professional Conduct and complete 30 hours of continuing education every two years, including two hours on the Code of Ethics and Standards of Professional Conduct.
