TANIA A. DEVRIES, JD MANAGING DIRECTOR

"The most rewarding part of my job is working alongside families who are deeply committed to teaching future generations and empowering their children to leverage both their human and financial capital. This helps improve their lives and ensures their family legacy continues."

As a dedicated community leader, Tania believes in leveraging her expertise and network to drive positive change in various area not-for-profits. Currently, she serves on the Board of Directors of Guiding Light, an innovative and comprehensive recovery program for men and women. As a former practicing attorney, Tania has been touched by individuals and families unable to afford adequate legal representation. She is, therefore, passionate about supporting the Legal Assistance Center of West Michigan, where she served two terms as President, was a long-standing board member and now sits on its Development Committee.

Residing in Grand Rapids with her husband, Tania has a daughter who is currently pursuing graduate studies and a son in high school. In her spare time, she enjoys traveling with her family and spending free time by the pool or the sandy shores of Lake Michigan.
